Director's Corner...

Hello everyone! Summer is officially here. The warm, enjoyable weather came a little early this year but we'll take it without any complaints because winter will be here before we know it.

As of the printing of this newsletter our "Tiverton Senior Center Roof Project" account has reached \$2,165. Many, many thanks to all who have helped us reach this total. Let's keep up the good work.

Our next fundraiser will be held on Saturday, July 24 from 4 to 7 p.m. at the Senior Center. Ernie Pooler has very generously donated the use of his Karaoke Machine for us to have a few hours of fun, socialization, and snacking on good old fashioned ice cream and popcorn. The admission fee will be \$2.00 for 50 and older and \$5.00 for under 50 and there will be a small charge for refreshments. **REMEMBER...THIS IS A FUNDRAISER FOR OUR ROOF PROJECT.** Bring your family and friends and have some fun.

Also on the calendar for this month is Ric's Pics Nature and Comedy Show on Tuesday, July 13 at 2 p.m. The program is free and refreshments will be served. Please register in the office.

On Thursday, July 22 at 10:30 Rhode Island Relay will present an informational program for those of us (myself included) who are hearing impaired. They will present the adaptive equipment they have to offer and provide you with information on how you may obtain the pieces that will assist you with your individual needs.

For those of you who are watching your weight or have certain dietary needs, join us on Thursday, July 29 at 10:30. URI will be presenting a Label Reading Program. Learn how to read labels on all food packages, including cans and how you should be incorporating that information into your individual diet.

Last of all the annual Colt Park Picnic will be held on Friday, July 30 at Colt Park in Bristol from 10:30 to 2 p.m. Reservations are necessary and must be made in the office. The cost is \$3.00 per person. If there is a need we will use our bus to transport those of you who request transportation. Please let me know about transportation by July 12 so I am able to make the necessary arrangements.

I wish you all a safe and wonderful July 4. This day is the reason we live in a free country. Take a moment to reflect on how fortunate we are.

Happy Fireworks!!!
